## Accreditation Form for Time Warp Mannheim 2012

Time Warp 2012 / 31st of March 2012 / Maimarkthalle, Mannheim

Dear Editors,

Thank you for your interest in Time Warp Mannheim. For processing your request we kindly ask you for the following information:

- Fill out the attached form **completely**
- Furthermore, a job confirmation is necessary e.g. from your editor in charge. We need a short statement about your role and the press coverage which you have planned. Without a confirmation of your journalistic activity, an accreditation is not possible.
- If you presented our event in advance please **add a copy of your report** per email or send it to our office.

Please notice that we can allow just one editor per Media Company. The accreditation of more editors is only possible for a complex production set up, e.g. TV.

Best wishes

Your cosmopop press team
